

Epix[®]

Laparoscopic Suction/
Irrigation System

Epix

Laparoscopic Suction/Irrigation System

THE ULTIMATE IN COMFORT AND CONTROL

Reusable Probe Attachments

Probe Attachments

Connect and disconnect quickly and easily

Available in a variety of reusable probe lengths, diameters and tip offerings that enable a wide range of flow rates to be achieved with a single handpiece

Soft, Flexible Tubing

Drapes easily, minimizes coiling and improves control

Built-In Smoke Evacuation

Maintains visibility and eliminates the need for a separate smoke evacuation device

Color-Coded Buttons with Soft Springs

Depress smoothly and maximize user comfort

Differentiate the suction and irrigation buttons

Clear, Ergonomic Handpiece

Provides a comfortable fit and clear unobstructed view of the working channels
